KEEPING YOU UP TO DATE

Week 44:
from Oct 28th

“A Guarantee like No Other” Hebrews 7.21-28

A young business man walks into a bank in the heart of Sydney and asks for the loan officer. He says he's going to Malaysia on business for a week and needs to borrow \$10,000. The bank officer says the bank will need some kind of security for the loan, so the business man hands over the keys to a new Maserati. The car is parked on the street in front of the bank; he has the ownership details, and everything checks out. The bank agrees to accept the car as collateral for the loan. The bank's president and its officers all enjoy a good laugh at the man for using a \$367,000 Maserati Gran Cabrio Convertible as collateral against a \$10,000 loan. An employee of the bank then drives the Maserati into the bank's underground garage and parks it there. A week later, the business man returns and repays the \$10,000 and the interest, which comes to \$141.25. The loan officer says, "Sir, we are very happy to have had your business, and this transaction has worked out very nicely; but we are a little puzzled. We checked you out and found that you are a multimillionaire. What puzzles us is - why would you bother to borrow \$10,000?" The man replies....."Where else in Sydney central can I park my car for a week for only \$141.25 and expect it to be there when I return?"

Normally life guarantees are thin on the ground, so much so, we make jokes about them. God doesn't joke about. His Word is to be taken seriously. Jesus is the guarantor of the new covenant. He is the price, the promise and the guarantor all in one. We either park ourselves on the street at the mercy of the world, or in the Hands of God. You decide. – **Rev. Tim**
